## VoIP AND UNIFIED COMMUNICATIONS CONSULTING SERVICES

***Video/Data/Voice Communication Integration. Call Centers. Remote Staff.***

VoIP and Unified Communications (UC) solutions now offer flexible, collaborative, and integrated communications for organizations. With numerous options and features, getting started can be daunting. Stragistics helps you navigate this landscape.

### WE EVALUATE YOUR GOALS, SUCH AS:

Supporting  
remote staff and  
distributed  
offices.

Integrating  
third-party video,  
data, and voice  
systems.

Supporting a  
distributed call  
center staff.

Integrating  
organizational and  
client data.

We guide you toward solutions that align with your current and future objectives. Unified communications offer benefits over legacy systems, including remote flexibility, collaboration, instant messaging, data sharing, and cost savings. Stragistics ensures you implement your VoIP/UC project using industry best practices.

### ABOUT DIR

IT Staff Augmentation Services Contract (ITSAC) provides temporary IT staff resources on an as-needed hourly basis. Resources are acquired via solicitations initiated by eligible DIR Cooperative Contract customers.

- The mission of the Texas Department of Information Resources is to serve Texas government by leading the state's technology strategy, protecting state technology infrastructure, and offering innovative and cost-effective solutions for all levels of government. Visit DIR at <https://www.dir.Texas.gov>.
- Stragistics Technology was awarded this contract, DIR-CPO-5653, as of 2025 to offer technology to state and local governments through DIR's Cooperative Contract Program. Visit Stragistics at <https://www.Stragistics.com>.
